

**WAC 246-828-510 Continuing education.** The purpose of continuing education is to ensure the highest quality professional care. The objectives are to improve and increase the ability of the hearing aid specialist, audiologist, speech-language pathologist, and speech-language pathology assistant to deliver the highest possible quality professional care and keep the professional abreast of current developments.

Continuing education consists of educational activities designed to review existing concepts and techniques and to convey information and knowledge about advances in hearing instrument fitting and dispensing, audiology, and speech-language pathology fields as applied to the work setting.

(1) Continuing education requirement. A credential holder must complete a minimum of thirty hours of continuing education every three years.

(a) At least one hour of the continuing education must be on infection control.

(b) Multicultural education aimed at removing barriers to access to care may count for up to five hours of continuing education.

(c) At least twenty-five hours of continuing education must be related to profession specific skills and competencies.

(2) Continuing education is defined as any of the following activities:

(a) Courses, seminars, workshops and postgraduate programs offered by accredited educational institutions. These educational activities must be recorded on an official transcript or by documentation stating the number of continuing education hours completed.

(b) Courses, seminars and workshops offering continuing clock or continuing educational units offered by profession-related organizations or industries. These activities will be accepted with documentation of the number of continuing education hours completed.

(c) Attendance at a continuing education program having a featured speaker(s) or panel, which has been provided by, sponsored by, or endorsed by a profession-related organization or industry. This activity will be accepted with documentation of the number of continuing education hours completed.

(d) Participation as a speaker or panel member in a continuing education program which has been provided by, sponsored by, or endorsed by a profession-related organization or industry. A maximum of eight hours, including preparation time, may be applied to the total three-year requirement.

(e) Completion of a written, video, internet, or audio continuing education program which has been provided by, sponsored by, or endorsed by a profession-related organization or industry. Only programs in which proof of completion is provided or with tests that are not self-graded will be accepted.

(3) The board may grant an exception for continuing education requirements under certain circumstances including, but not limited to, severe illness. The credential holder must submit a written request for exception to the board for review. The board will approve or deny the request.

(4) A credential holder may be randomly audited for continuing education compliance as specified in chapter 246-12 WAC, Part 7.
