

WAC 246-928-520 Minimum educational qualifications for licensure as a respiratory care practitioner. (1) To meet the educational requirements required by RCW 18.89.090, an applicant must be a graduate of at least a two-year respiratory therapy educational program. The program must be accredited by:

- (a) The Committee on Accreditation for Respiratory Care (CoARC);
 - (b) The American Medical Association's (AMA) Committee on Allied Health Education and Accreditation (CAHEA); or
 - (c) The Commission on Accreditation of Allied Health Education Program (CAAHEP).
- (2) An official transcript indicating completion of at least a two-year program must be provided as evidence of fulfillment of the required education.
