

**WAC 246-933-610 Definitions.** As used in this chapter:

(1) "Approved substance abuse monitoring program" or "approved monitoring program" is a program, complying with applicable state law and approved by the board, which oversees a veterinarian's compliance with a contractually prescribed substance abuse recovery program. Substance abuse monitoring programs may provide evaluation and/or treatment to participating veterinarians.

(2) "Contract" is a comprehensive, structured agreement between the recovering veterinarian and the approved monitoring program wherein the veterinarian consents to comply with the monitoring program and the required components for the veterinarian's recovery activity.

(3) "Approved treatment facility" is a facility recognized as such according to RCW 18.130.175(1).

(4) "Substance abuse" means the impairment, as determined by the board, of a veterinarian's professional services by an addiction to, a dependency on, or the use of alcohol, legend drugs, controlled substances, or other addictive drugs.

(5) "Aftercare" is that period of time after intensive treatment that provides the veterinarian or the veterinarian's family with group or individual counseling sessions, discussions with other families, ongoing contact and participation in self-help groups, and ongoing continued support of treatment and/or monitoring program staff.

(6) "Veterinarian support group" is a group of veterinarians and/or other health professionals meeting regularly to support the recovery of its members. The group provides a confidential setting with a trained and experienced facilitator in which participants may safely discuss drug diversion, licensure issues, return to work, and other professional issues related to recovery.

(7) "Twelve-steps groups" are groups such as Alcoholics Anonymous, Narcotics Anonymous, and related organizations based on a philosophy of anonymity, peer group association, and self-help.

(8) "Random drug screens" are the observed collection of specified bodily fluids together with laboratory tests to detect the presence of drugs of abuse in bodily fluids. Collection must occur at irregular intervals not known in advance by the person to be tested.

(9) "Veterinarian" means an impaired practitioner.
