

WAC 296-52-66060 Reporting changes in conditions. Any change in conditions around a magazine, mobile storage site, or manufacturing plant that could adversely affect compliance with any requirement of this chapter must be promptly reported to the department. Examples of reportable changes include:

- (1) Construction of occupied buildings.
- (2) Public utilities transmission systems.
- (3) Roads or railroads that have been built closer to the manufacturing plant or magazine.
