

WAC 296-831-100 Purpose and scope. This chapter applies to all adult entertainment establishments.

In addition to this chapter, chapter 296-800 WAC Safety and health core rules, chapter 296-24 WAC General safety and health standards, and chapter 296-62 WAC General occupational health standards contain safety and health rules that also apply to adult entertainment establishments. Similarly, other special industry focused chapters (e.g., chapter 296-832 WAC Late night retail worker crime prevention, chapter 296-155 WAC construction, etc.) and special hazard focused chapters (e.g., chapter 296-876 WAC ladders, chapter 296-880 WAC fall protection, etc.) complement the rules found in this chapter and may apply depending on operations being performed.

Note: All of the requirements in this rule work in conjunction with the Accident Prevention Program (APP) rules in WAC 296-800-140 through 296-800-14025 within the safety and health core rules. Therefore, an adult entertainment establishment's fully compliant Accident Prevention Program (APP) will cover the following (in addition to other general safety and health considerations applicable to all businesses):

- Entertainer orientation on panic button location, use, and maintenance, if any;
- How to add a problematic customer to your complaint log/blocklist;
- How to report work-related hazards, injuries, unsafe conditions, or unsafe practices;
- The proper use and care of personal protective equipment (PPE); and
- What to do in an emergency, including how to leave the workplace.

Adult entertainment establishments are also required to regularly hold safety and health meetings for the purpose of communicating and evaluating safety and health issues in the workplace, including the evaluation of your APP to determine whether improvements are necessary to ensure that it is effective in practice. Specific requirements differ somewhat between large and small employers. See WAC 296-800-130 Safety committees/safety meetings—Summary, for details.
