

**WAC 314-28-320 Jointly operated conjoined consumption areas.**

(1) Jointly operated conjoined consumption areas are allowed as authorized in RCW 66.24.1472. Consistent with RCW 66.24.1472:

(a) Any domestic brewery, microbrewery, domestic winery, distillery, or craft distillery, or any combination of these licensees, whose property parcels or buildings are located in direct physical proximity to one another may share a jointly operated conjoined consumption area. "Direct physical proximity" means that the property parcels or buildings are physically connected or touching each other along a boundary or at a point.

(b) The jointly operated conjoined consumption area may be a standing or seated tasting area for patrons to use, which may be indoors, outdoors, or a combined indoor and outdoor area. For requirements related to outside alcohol service, see WAC 314-03-200.

(c)(i) Each licensee may sample, serve, and sell products as authorized under the terms of their respective licenses for on-premises consumption in the jointly operated conjoined consumption area. For the requirements applicable to:

(A) Distillery and craft distillery licensees, see WAC 314-28-065.

(B) Domestic winery licensees, see chapter 314-24 WAC.

(C) Domestic brewery and microbrewery licensees, see chapter 314-20 WAC.

(ii) Consistent with RCW 66.24.140 and 66.24.145, a licensee may not allow an individual person to receive more than a cumulative total of two ounces of unadulterated spirits for on-premises consumption at a jointly operated conjoined consumption area, regardless of the number of licensees operating at a jointly operated conjoined consumption area.

(iii) Consistent with WAC 314-11-065, a licensee may not permit the removal of liquor in an open container from the jointly operated conjoined consumption area, except to reenter the licensed premises where the liquor was purchased. Signage prohibiting the removal of liquor in an open container must be visible to patrons in the jointly operated conjoined consumption area.

(d) In a jointly operated conjoined consumption area, licensees must:

(i) Maintain separate storage of products and separate financial records. If licensees share any point of sale system, the licensees must keep complete documentation and records for the shared point of sale system showing clear separation as to what sales items and categories belong to each respective licensee;

(ii) Use distinctly marked glassware or serving containers to identify the source of any product being consumed. The distinctive markings may be either permanent or temporary. Any temporary markings must remain on the glassware or serving containers through the duration of use by the customer;

(iii) Comply with the applicable laws and rules relating to retailers; and

(iv) Share staffing resources under a written plan. The written plan should demonstrate in general how responsibility for staffing the premises is shared among the licensees. Licensees are not required to submit the written plan to the board at the time of application or alteration but must keep documentation of an up-to-date written plan available for inspection on premises.

(2) In addition to the requirements in this section, licensees at jointly operated conjoined consumption areas must comply with all re-

quirements in RCW 66.24.1472 and any other applicable laws and rules including, but not limited to:

(a) For distillery and craft distillery licensees, the tasting room age restrictions in WAC 314-28-066 and the food offerings requirements in WAC 314-28-067.
