(2) Positive behavior support and consultation includes the development and implementation of programs designed to support waiver participants using:

(a) Individualized strategies for effectively relating to caregivers and other people in the waiver participant's life; and

(b) Direct interventions with the person to decrease aggressive, destructive, and sexually inappropriate or other behaviors that compromise their ability to remain in the community (i.e., training, specialized cognitive counseling, conducting a functional assessment, and development and implementation of a positive behavior support plan).
