

**WAC 391-15-060 Processing of public records requests—Electronic records.** (1) **Requesting electronic records.** The process for requesting electronic public records is the same as for requesting paper public records.

(2) **Providing electronic records.** When a requestor requests electronic records in an electronic format, the public records officer will provide the nonexempt records or portions of those records that are reasonably locatable in an electronic format that is used by the agency and is generally commercially available, or in a format that is reasonably translatable from the format in which the agency keeps the record.

(3) **Customized electronic access services.** With the consent of the requestor, the agency may provide customized access services and assess charges under RCW 42.56.120 (2)(f). A customized service charge applies only if the agency estimates that the request would require the use of information technology expertise to prepare data compilations or provide customized electronic access services when such compilations and customized access services are not used by the agency for other purposes. The agency may charge a fee consistent with RCW 42.56.120 (2)(f) for such customized access.
