

WAC 468-51-070 Fees and surety bond. (1) Fee structure. The following nonrefundable fee structure is established for department application processing, review, and inspection. The developer agreement may include, but is not limited to: Plans; specifications; maintenance requirements; bonding requirements; inspection requirements; division of costs by the parties, where applicable; and provisions for payment by the applicant of actual costs incurred by the department in the review and administration of the applicant's proposal that exceed the required base fees in the following schedule:

- (a) Category I base fees for one connection.
 - (i) Field (agricultural), forest lands, utility operation and maintenance \$50
