

WAC 504-26-515 Periodic review and assessment. At the end of each academic year, CCS provides a report to the dean of students which must include, at a minimum, a numerical breakdown of the types of matters handled and the sanctions assigned. The dean of students must make the report publicly available, provided all personally identifiable or readily ascertainable student information is removed.

The standards of conduct and the student conduct system as a whole are reviewed every three years under the direction of the dean of students or designee. The student government council is asked to provide recommendations and input on proposed changes. After completion of any adjudication or other resolution of a student conduct matter, CCS must send a survey to all parties requesting feedback on the process. Feedback results must be reviewed, at a minimum, every three years in connection with the periodic review and assessment.
