

WAC 25-46-080 Competing applications for the same resource. (1)

When registration forms are submitted for the same resource by two or more entities, the applications shall be evaluated, accepted, or denied in sequence based upon the unique log number assigned by the department. The registration forms must be submitted via FedEx or other delivery service which records time and date of delivery.

(2) Notice will be sent by the department to each of the entities submitting the registration application for the same resource notifying them of the competing application and the sequence in which they will be evaluated. No competing application will be evaluated until such time as the first pending application has been denied and all appeal rights of that applicant have been exhausted.

(3) When an historic archaeological resource has been registered with the department all subsequent registration applications for that resource within the five-year time period for right of first refusal will be issued a notice that the resource has already been registered and the applications are denied.
