

WAC 110-145-1840 When must I get an early and periodic screening, diagnosis, and treatment (EPSDT) exam for a child? Children who are in out-of-home care must receive an EPSDT exam within 30 days, unless they have had an EPSDT exam in the previous 30 days, except for overnight youth shelters and children placed by DDA through a voluntary placement agreement. Children also receive subsequent periodic EPSDT exams; information on these required exams may be obtained from the child's DCYF caseworker.
