

WAC 110-425-0060 Comprehensive service delivery. (1) Contractors must plan and deliver the following comprehensive services to enrolled children and their families:

(a) Early childhood education;

(b) Family support, using the mobility mentoring approach to help families overcome the extreme stresses of poverty by improving focus, planning, and decision making;

(c) Parent involvement including options for participation in their child's classroom, program policy decisions, service delivery system development, and parent education and training; and

(d) Health screening, information, and referral, including medical, dental, nutrition, and mental health.

(2) Contractors must comply with the early childhood education and assistance program contract, performance standards, and policy memos in the delivery of all services.

(3) Contractors may request exceptions to rules, performance standards, or policies. Contractors must receive written approval from the department before implementing exceptions.
