

WAC 118-04-400 After action reporting. (1) The emergency management division shall provide forms for use by local emergency management agency directors in providing after action information. After action reports shall be filed for:

(a) Search and rescue missions (Form EMD-077, search and rescue mission data sheet). The required information includes data on the subject, location of incident, response, weather conditions, results, subject behavior, and resources used.

(b) Training events. The required information includes data on the training activities conducted, resources used, problems noted, corrective actions assigned, and other information of a training nature. Form EMD-105L, incident report data sheet may be used.

(c) Other missions, including evidence search missions (Form EMD-105L, incident report data sheet). The required information includes location and other data on the incident, response, weather conditions, results, and resources used.

(2) All mission, evidence search mission, and training event after action reports shall include information from the participating emergency workers, including individual daily activity reports (EMD-078, or equivalent), other reports, rosters, mission event and communications logs, lost person information forms, training event logs, plans of instruction, instructor lists, and any other information that may be helpful in a descriptive reconstruction of the mission or training event.

(3) The local emergency management agency director shall forward all mission, evidence search mission, and training event after action reports to the emergency management division within twenty working days from the termination or suspension of the activity.
