

WAC 135-100-170 Conservation district may alter assessment on parcels. The conservation district may alter assessments on individual parcels at any time if land uses change that would affect the classification of such parcels. The conservation district must notify the county assessor of any changes that affect the classification of parcels to be assessed.

If the county assessor seeks to change the classification of individual parcels, the conservation district must approve such changes before collecting the assessment for such parcels.
