

WAC 173-160-040 How does this regulation relate to other authorities? (1) Nothing in these regulations may be construed to waive any legal requirements of other state agencies or local governmental entities relating to well construction, nor may it preclude the adoption of more stringent minimum well construction standards by local government.

(2) Well contractors shall be familiar with all state and local well construction requirements, and existing and approved site plans, to include septic permits, for their job sites prior to initiating construction. Drillers working in counties that have delegated authority to inspect wells shall check with the county environmental health section for inspection requirements. Drillers are required to obey all county notification and reporting requirements.
