

WAC 220-356-090 Herring, anchovy and smelt fishing—Lampara.

(1) Lawful lampara gear in the Puget Sound herring and anchovy fisheries shall not exceed 200 feet in length or contain meshes less than 1/2-inch stretch measure. Lampara gear is not lawful gear for taking smelt in Puget Sound.

(2) Licensing:

(a) A baitfish lampara fishery license is a license required to operate the gear provided for in this section and allows the operator to retain anchovy.

(b) A herring lampara fishery license is a license required to operate the gear provided for in this section and allows the operator to retain herring.
