

**WAC 246-341-0901 Behavioral health outpatient crisis outreach, observation and intervention services—Certification standards.**

(1) Agencies certified for outpatient behavioral health crisis outreach, observation and intervention services provide face-to-face and other means of services to stabilize an individual in crisis to prevent further deterioration, provide immediate treatment or intervention in the least restrictive environment at a location best suited to meet the needs of the individual which may be in the community, a behavioral health agency, or other setting.

(2) An agency certified for outpatient behavioral health crisis outreach, observation and intervention services does not need to meet the requirements in WAC 246-341-0640.

(3) An agency providing outpatient behavioral health crisis outreach, observation and intervention services for substance use disorder must ensure a professional appropriately credentialed to provide substance use disorder treatment is available or on staff 24 hours a day, seven days a week.

(4) An agency providing any outpatient behavioral health crisis outreach, observation and intervention services must:

(a) Provide crisis telephone support in accordance with WAC 246-341-0670;

(b) For mental health crisis, ensure face-to-face outreach services are provided by a mental health professional or department-credentialed staff person with documented training in crisis response;

(c) For a substance use disorder crisis, ensure face-to-face outreach services are provided by a professional appropriately credentialed to provide substance use disorder treatment, or individual who has completed training that covers substance use disorders;

(d) Develop and implement policies and procedures for training staff to identify and assist individuals in crisis before assigning the staff member unsupervised duties;

(e) Resolve the crisis in the least restrictive manner possible;

(f) Require that trained staff remain with the individual in crisis in order to provide stabilization and support until the crisis is resolved or referral to another service is accomplished;

(g) Determine if an individual has a crisis plan and request a copy if available;

(h) Assure communication and coordination with the individual's mental health or substance use treatment provider, if indicated and appropriate;

(i) As appropriate, refer individuals to voluntary or involuntary treatment facilities for admission on a seven day a week, 24 hour a day basis, including arrangements for contacting the designated crisis responder;

(j) Maintain a current list of local resources for referrals, legal, employment, education, interpreter and social and health services;

(k) Transport or arrange for transport of an individual in a safe and timely manner, when necessary;

(l) Be available 24 hours a day, seven days a week; and

(m) Include family members, significant others, and other relevant treatment providers, as necessary, to provide support to the individual in crisis.

(5) Documentation of a crisis service must include the following:

(a) A brief summary of each crisis service encounter, including the:

- (i) Date;
- (ii) Time, including time elapsed from initial contact to face-to-face contact, if applicable; and
- (iii) Nature and duration of the encounter.
- (b) The names of the participants;
- (c) A disposition including any referrals for services and individualized follow-up plan;
- (d) Whether the individual has a crisis plan and any request to obtain the crisis plan; and
- (e) The name and credential, if applicable, of the staff person providing the service.
- (6) An agency utilizing certified peer counselors to provide crisis outreach services must:
  - (a) Ensure services are provided by a person recognized by the health care authority as a peer counselor, as defined in WAC 246-341-0200;
  - (b) Ensure services provided by a peer counselor are within the scope of the peer counselor's training and credential;
  - (c) Ensure peer counselors receive annual training that is relevant to their unique working environment.
- (7) When services are provided in a private home or nonpublic setting, the agency must:
  - (a) Have a written plan for training, staff back-up, information sharing, and communication for staff members who respond to a crisis in an individual's personal residence or in a nonpublic location;
  - (b) Ensure that a staff member responding to a crisis is able to be accompanied by a second trained individual when services are provided in the individual's personal residence or other nonpublic location;
  - (c) Ensure that any staff member who engages in home visits is provided access, by their employer, to a wireless telephone or comparable device, for the purpose of emergency communication;
  - (d) Provide staff members who are sent to a personal residence or other nonpublic location to evaluate an individual in crisis prompt access to information about any history of dangerousness or potential dangerousness on the individual they are being sent to evaluate, that is documented in a crisis plan(s) or commitment record(s). This information must be made available without unduly delaying the crisis response.
- (8) If utilizing peer counselors for crisis outreach response:
  - (a) Ensure that a peer counselor responding to an initial crisis visit is accompanied by a mental health professional or individual appropriately credentialed to provide substance use disorder treatment as appropriate to the crisis;
  - (b) Develop and implement policies and procedures for determining when peer counselors may provide follow-up crisis outreach services without being accompanied by a mental health professional or individual appropriately credentialed to provide substance use disorder treatment as appropriate to the crisis.
