

WAC 296-17A-0901 Classification 0901.

0901-00 Ship building and/or repair, N.O.C. (to be assigned only by the maritime underwriter)

Applies to establishments engaged in the building and/or repair of ships not covered by another classification (N.O.C.) and to the dismantling of hulls. Ships contemplated by this classification are recreational vessels under sixty-five feet and some commercial vessels such as, but not limited to, military vessels, tugs, scows, and barges. This classification may also include vessels over sixty-five feet that do not meet the situs and status provisions of the United States Longshore and Harbor Workers Compensation Act. This classification includes shop operations.

This classification excludes wood boat building and repair which is to be reported separately in classification 2903; sheet aluminum boat building which is to be reported separately in classification 3404; fiberglass boat building which is to be reported separately in classification 3511; plate aluminum boat building which is to be reported separately in classification 5209; and boat dealers, marinas, and boat house operations including repair centers which are to be reported separately in classification 3414.

Special note: This classification is seldom assigned as most work would be covered by LHWCA. Commercial vessels included in this classification are required to have a Small Vessel Exception Certificate issued by the U.S. Department of Labor.
