

WAC 296-96-01006 Work requiring permits. (1) All installations and relocation of conveyances that require permitting and inspection shall be performed by elevator mechanics licensed to perform work in the appropriate category. (See WAC 296-96-00910.)

(2) Items identified in ASME A17.1/CSA B44, Section 8.7 as alterations shall require a permit and inspection.

(3) Permits and fees are not required for normal function and necessary maintenance or repair or for any conveyance exempt under RCW 70.87.200.

Contact the department if you have any questions or need assistance determining if a permit and inspection are required.
