

WAC 296-400A-018 When will the department release a security deposit? (1) The department will release a security deposit two years after the plumbing contractor's last plumbing license has expired unless there is an unsatisfied final judgment or ongoing claim against the plumbing contractor.

(2) The department will release a security deposit in less than two years after the plumbing contractor's last license has expired if the plumbing contractor provides a surety bond covering both the previous and current registration periods.

[Statutory Authority: 2020 c 153. WSR 21-13-041, § 296-400A-018, filed 6/10/21, effective 7/1/21.]
