

WAC 296-843-20015 Provide additional training to your managers and supervisors. (1) You must make sure the following receive appropriate training:

- (a) On-site managers.
- (b) Supervisors responsible for hazardous waste operations.
- (c) Supervisors who directly supervise employees in hazardous waste operations.

(2) You must make sure such supervisors and on-site managers receive the same training as that required by the workers they supervise (see WAC 296-843-20010).

(3) You must make sure such supervisors and managers receive a minimum of eight additional hours of specialized training including the following information:

- (a) Written site-specific health and safety plan (HASP):
 - (i) Training plan.
 - (ii) Personal protective equipment (PPE) plan.
 - (iii) Spill containment plan.
 - (iv) Emergency management procedures to use when a release of hazardous substances occurs.
 - (v) Federal, state, and local agencies to be contacted if there is a release of hazardous substances.
 - (vi) Sampling and monitoring plan (including procedures and techniques for monitoring health hazards).
- (b) Managing hazardous wastes and their disposal.
