

WAC 308-312-030 Applying for a whitewater river outfitter license. (1) To apply for a license a person must request and file a master application with the master license service. The completed master application must include the information, proof of insurance and certifications listed in RCW 88.12.275 and the fee listed in WAC 308-312-060.

(2) A master license with "whitewater river outfitter" printed on it will be issued after the application has been reviewed and approved. The license application will not be approved and no license will be issued if all the requirements are not met.

(3) Each business location where whitewater river outfitter business is conducted must be licensed even if owned by the same business owner. A separate application must be completed and filed for each business location. Each business location will receive its own master license.
