

WAC 352-32-125 Fires and campfires. All fires, except campfires, fires for stoves, candles, torches, barbeques and charcoal, are prohibited in state parks. Campfires are restricted to within the designated campfire pit, ring or other provided campfire enclosure and the flame must be no higher than two feet. On ocean beaches, recreational fires must be at least one hundred feet from the dunes, no more than four feet in diameter and no more than four feet high. No fires are allowed on any shellfish bed. Park rangers may impose additional restrictions on fires for the protection of the health, safety, and welfare of the public, park visitors or staff, or for the protection of park resources.

At Crystal Springs and Easton Reload sno-parks all campfires must be restricted to portable fire receptacles not to exceed three feet in diameter and must be at least six inches off the ground, and are only permitted when the sno-parks are open for winter recreation access.

Any violation of this section is an infraction under chapter 7.84 RCW.
