

WAC 434-230-030 Placement of ballot measures for local units of government. All county-wide ballot measures shall be listed immediately following state ballot measures. In the absence of state ballot measures, county-wide ballot measures shall appear first where state ballot measures would appear. For other local ballot measures and offices, each county shall establish written procedures to determine the order in which local units of government are to be listed on the ballot. Such order of local governmental units shall be substantially consistent on all ballots. The order may be determined by, but is not limited to the following: Size of jurisdictional area, alphabetical order by jurisdictional area, or such order as to provide for efficient use of ballot spacing and voting positions. Such procedures are to provide consistency from election to election within a county.

Except for county-wide ballot measures, local ballot measures and offices, if any, may be positioned in the area dedicated for that jurisdiction; or, local ballot measures may be grouped in a separate area dedicated to special measures only. This may be an area on the ballot separate from the candidates of such local government unit.
