

WAC 16-302-745 Seed certification requirements. (1) In order for a seed lot to be eligible for quality orchardgrass seed or quality timothy seed certification, the seed lot must meet field and seed certification standards as defined in WAC 16-302-330 through 16-302-385.

(2) For an orchardgrass seed or timothy seed lot that has already been certified, a copy of the certification tag must be submitted as proof of certification.
