

WAC 16-326-050 Differences between restrictions on Brassica seed production in Brassica seed production districts 2A and 2B. WAC 16-326-040 establishes restrictions that apply throughout all of *Brassica* seed production district 2 (including the two subdistricts designated districts 2A and 2B in WAC 16-326-010(3)), regarding the production of *Brassica* seed crops. Additional specific restrictions apply to district 2A. The differences between the subdistricts are:

(1) *Brassica* seed production in *Brassica* seed production district 2A is limited primarily to production of any species of *Brassica* seed for planting, except for *Brassica napus* var. *biennis*, winter type canola or rapeseed, as disallowed in WAC 16-326-040(1). Within *Brassica* seed production district 2A, *Brassica* seed crops intended for oil or fuel production may only be planted or grown under conditions of a *Brassica* production agreement, as described in RCW 15.51.040.

(2) *Brassica* seed production in *Brassica* seed production district 2B includes production of any species of *Brassica* seed for planting, oil or fuel production, except for *Brassica napus* var. *biennis*, winter type canola or rapeseed, as disallowed in WAC 16-326-040(1).
