

WAC 118-67-040 Introduction. (1) Radio communications service companies (RCSCs) shall comply with the technical and operational standards established by the Federal Communications Commission for the transmission of 9-1-1 calls in section 47 C.F.R. Chapter I of the FCC Rules.

(2) The authority given to the state 911 coordinator by RCW 38.52.561 is limited to setting standards as set forth in that section and does not constitute authority to regulate radio communications service companies.
