

WAC 132R-136-080 Posting of materials. The college encourages free expression. Use of college facilities as provided herein, however, does not accord users the opportunity to post commercial solicitations, advertising or promotional materials without permission.

Permission for the posting of materials and literature on college property is not required in designated public posting areas on campus. The college has designated one bulletin board that is accessible during business hours to all employees and students, upon which any person who is lawfully on campus may post materials without prior approval. The location of this board is outside of the inside entrance to the campus bookstore and is labeled "Community Bulletin Board". Permission for the posting of materials or literature in the various restricted areas shall be obtained from the office of communications. Permission to post materials or literature does not accord users immunity from legal action that may occur from posting said material. Permission will be granted for a limited time period and the materials must be removed at the end of the approved period. It is understood that the office of communications shall not approve or disapprove of the content of the material.

Posting of posters, signs and other publicity or promotional materials is permitted only in specified locations. All materials sought to be posted in restricted posting areas must have the identity of its sponsorship appearing on its face and be stamped in approval from the office of communications. Any materials not carrying this stamp, will be removed.
