

WAC 204-93-110 Certification. After inspection of the van, driver qualifications, and required equipment, the inspecting officer will certify one of the following:

(1) The van operation of the applicant fully conforms to the requirements established by this rule.

(2) The van operation of the applicant does not fully conform to the requirements. The deficiencies will be listed on the inspection form. The operator will be informed of the deficiencies by the inspector. The operator may reapply to the inspector or the ESR when he/she has corrected the deficient areas and request another inspection.

Upon certification of compliance by the inspector and after all other requirements of this regulation have been met, the ESR will issue a permit to the applicant.

A copy of the current permit must be posted in the place of business of the applicant, and carried in each vehicle at all times.

Failure of the operator to comply with any of the various regulations in this chapter may result in cancellation of the operator's permit by the ESR.
