

WAC 226-20-060 Partial or progress payments for project costs.

The board will not make payments of freight mobility funds on projects unless the following tasks are complete:

(1) The board has approved the phase of the project.

(2) Local matching funds are certified to be available for the phase of the project that is being billed.

Requests for payment may be submitted from time to time as the work progresses. Payments less than five hundred dollars will not be made unless it is the final request for payment. The final request for payment must be submitted within six months of the completion of work.

The board will make an adjustment to the final payment, if necessary to assure that the original board matching ratio is not exceeded.
