

WAC 230-10-446 Defining "linked bingo prize." "Linked bingo prize" means a prize that is awarded to a player who is competing against players from multiple participating bingo halls. The categories of prizes are:

(1) The main prize, which is the prize paid each time the game is played to the first verified winner(s);

(2) The consolation prize, which is the prize paid at each participating licensed bingo hall after the main prize has been determined; and

(3) The bonus prize, which is a prize awarded when a player achieves the winning pattern in a predetermined number of calls or on a specific predetermined number.
