

WAC 246-254-090 Fees for industrial radioactive material licenses.

(1) Persons licensed or authorized to possess or use radioactive material in the following industrial categories shall forward annual fees to the department as follows:

(a) \$13,984 for a license authorizing the use of radiographic exposure devices in one or more permanent radiographic vaults in a single facility.

(b) \$18,747 for a license authorizing the use of radiographic exposure devices at temporary job sites but operating from a single storage facility.

(c) \$9,183 for a license authorizing well-logging activities including the use of radioactive tracers operating from a single storage facility.

(d) \$1,979 for a license authorizing possession of portable sealed sources including moisture/density gauges and excluding radiographic exposure devices operating from a single storage facility.

(e) \$2,158 for a license authorizing possession of any nonportable sealed source, including special nuclear material and excluding radioactive material used in a gas chromatograph at a single facility.

(f) \$1,360 for a license authorizing possession of gas chromatograph units containing radioactive material at a single facility.

(g) \$3,770 for a license authorizing possession of any self-shielded or pool type irradiator with sealed source total quantity greater than 100 curies at a single facility.

(h) \$20,040 for a license authorizing possession of sealed sources for a walk-in type irradiator at a single facility.

(i) \$17,453 for a license authorizing possession of greater than one gram of unsealed special nuclear material or greater than 500 kilograms of source material at a single facility.

(j) \$5,585 for a license authorizing possession of less than or equal to one gram of unsealed special nuclear material or 500 kilograms of source material at a single facility.

(k) \$882 for a license authorizing possession of static elimination devices not covered by a general license.

(2) Persons with licenses authorizing multiple locations of permanent storage shall increase the annual fee by 100 percent for each additional location.

(3) Depleted uranium registrants required to file Form RHF-20 shall forward an annual fee of \$177 to the department.

(4) General licensees required to register in accordance with WAC 246-233-020 (3)(k) shall forward an annual fee of \$527 to the department.
