

WAC 246-976-022 EMS training program requirements, approval, re-approval, discipline. (1) To apply for initial department approval as an EMS training program, applicants must:

(a) Contact the Washington workforce training and education board to determine if the EMS training program is subject to private vocational school requirements;

(b) Submit a completed application on forms provided by the department and provide supplemental information that:

(i) Demonstrates the need for a new or additional training program; and

(ii) Demonstrates how the training program will maintain the resources needed to sustain a quality education program;

(c) Identify the training program organization type as one of the following:

(i) A local EMS and trauma care council or county office responsible for EMS training for the county. This includes organizations established by local ordinance and approved by the county medical program director to coordinate and conduct EMS training programs;

(ii) A regional EMS and trauma care council providing EMS training throughout the EMS and trauma care region that it serves;

(iii) An accredited institution of higher education or a private educational business licensed as a private vocational school; or

(iv) An optional organization. If the organizations listed above do not exist or are unable to provide an EMS training program, the local EMS and trauma care council may recommend to the department another entity that is able to provide training. In the absence of a local EMS council, the regional EMS and trauma care council may provide such recommendation;

(d) Identify the training program director for the training program. The training program director must meet the minimum requirements listed in the *EMS Training Program and Instructor Manual (DOH 530-126)*;

(e) Identify additional training program personnel who meet the minimum requirements and would perform roles listed in the *EMS Training Program Instructor Manual (DOH 530-126)*;

(f) Indicate what levels of initial EMS training courses (EMR, EMT, AEMT, paramedic), endorsements and other courses the training program is seeking approval to conduct;

(g) If the training program is conducting a paramedic program, provide proof of accreditation by a national accrediting organization approved by the department;

(h) Provide a list of clinical and field internship sites available to students. Include information that clearly depicts a formal relationship between the training organization and the clinical site;

(i) Provide an operations manual that includes:

(i) Training program policies and procedures that meet the requirements listed in the *EMS Training Program and Instructor Manual (DOH 530-126)*; and

(ii) The training program handbook that is provided to students. The handbook must meet the requirements listed in the *EMS Training Program and Instructor Manual (DOH 530-126)*;

(j) Provide a list of equipment and supplies on hand or accessible for use in the training program;

(k) Provide an example of a certificate or letter of completion meeting the department requirements listed in the *EMS Training Program and Instructor Manual (DOH 530-126)*;

- (l) Obtain the recommendation from the county medical program director in each county where the training program will reside; and
 - (m) Obtain the recommendation from each local EMS and trauma council in each county where the training program will reside. In the absence of a local EMS and trauma care council, the regional EMS and trauma care council may provide such a recommendation.
- (2) Approved training programs shall:
 - (a) Conduct courses in accordance with department requirements;
 - (b) Collaborate with the course instructor to ensure course applicants meet the course application requirements in WAC 246-976-041;
 - (c) Maintain clinical and field internship sites to meet course requirements. Students conducting field internship rotations on EMS vehicles may not replace required staff on the vehicle;
 - (d) Provide the department, MPD, or MPD delegate access to all course related materials upon request;
 - (e) Conduct examinations over course lessons and other Washington state required topics;
 - (f) Participate in educational planning conducted by local and regional EMS and trauma care councils;
 - (g) Coordinate certification examination activities with the department-approved certification examination provider. This includes:
 - (i) Registering the training program with the examination provider;
 - (ii) Assisting students in registering with the examination provider and scheduling the cognitive examination. Students who successfully pass the course must be provided an opportunity to take the certification examination;
 - (iii) Provide verification to the examination provider of cognitive knowledge and psychomotor skills for students successfully completing the EMS course; and
 - (iv) For BLS, ILS, and ALS level courses, the training program must conduct psychomotor examinations and competence assessments as required by the department;
 - (h) Maintain student records for a minimum of seven years in a retrievable electronic or paper format;
 - (i) Monitor and evaluate the quality of instruction for the purposes of quality improvement, including course examination scores for each level taught;
 - (j) Provide students access to the Washington state EMS student survey;
 - (k) Maintain an overall pass rate of 75 percent on department-approved state certification examinations;
 - (l) Submit a report to the department annually that includes:
 - (i) Attrition rates;
 - (ii) Annual certification examination rates;
 - (iii) Postgraduation survey results; and
 - (m) Seek reapproval of the training program as follows:
 - (i) For BLS or ILS level courses training programs must be reappraised every three years.
 - (ii) For ALS level courses, training programs must be renewed every five years.
 - (iii) If the training program is approved to conduct multiple levels of training, the program is required to renew in accordance with the higher training level requirement.
