

WAC 296-96-24206 Existing conveyances. Inclined private residence conveyances for transporting property shall comply with the rules adopted by the department that were in effect at the time the conveyance was permitted, regardless of whether the rule(s) has been repealed, unless any new rule specifically states that it applies to all conveyances available, regardless of when the conveyance was permitted. Copies of previous rules adopted by the department are available upon request.

If the department determines that an inclined private residence conveyance for transporting property was installed without a permit and inspection, the conveyance will be required to comply with the current rules adopted by the department unless documentation determining the date the conveyance was installed (e.g., sales receipts, building permits, or other appropriate documentation) can be provided.
