

WAC 296-150R-0910 After I am self-certified, what does an audit include? A performance audit after you are self-certified includes:

- (1) A review of your quality control program;
- (2) Verification that you are manufacturing vehicles according to this chapter and ANSI; and
- (3) Verification that your comprehensive design plans are available at all locations where the vehicles are manufactured.

Note: Our audit may include a review of the comprehensive design plans at your manufacturing location.
