

WAC 296-200A-320 How can a notice of infraction be served? (1)

A notice of infraction is served when the notice of infraction is issued personally or mailed to the contractor named in the notice or to an employee of the contractor named by the compliance inspector issuing it.

(2) If the notice of infraction is personally served and the person served does not know the contractor's name or address, the department does not need to mail a copy of the infraction to the contractor; however, the notice remains in force.
