

WAC 308-47-100 Reduction facilities—Inspections. (1) Crematories, alkaline hydrolysis facilities, and natural organic reduction facilities regulated under the authority of chapters 18.39 and 68.05 RCW are subject to inspection at least once each year by the inspector of funeral establishments, crematories, alkaline hydrolysis, and natural organic reduction facilities, funeral directors, and embalmers to ensure compliance with Washington state laws and regulations related to health or the handling or disposition of human remains.

(2) Inspections shall cover compliance with applicable statutes and rules. Reduction facilities will be open for inspection during normal business hours. If the facility is not open, the ownership must identify someone to the department that can open the facility for an unannounced inspection, or provide a method of access to the inspector.
