

WAC 314-29-007 How may a licensee challenge the summary suspension of their liquor license? (1) Upon summary suspension of a license or permit by the board pursuant to WAC 314-29-006, an affected licensee or permit holder may petition the board for a stay of suspension pursuant to RCW 34.05.467 and 34.05.550(1). A petition for a stay of suspension must be received by the board within 15 days of service of the summary suspension order. The petition for stay shall state the basis on which the stay is sought.

(2) A hearing shall be held before an administrative law judge within 14 days of receipt of a timely petition for stay. The hearing shall be limited to consideration of whether a stay should be granted, or whether the terms of the suspension may be modified to allow the conduct of limited activities under current licenses or permits.

(3) Any hearing conducted pursuant to subsection (2) of this section shall be a brief adjudicative proceeding under RCW 34.05.485. The agency record for the hearing shall consist of the documentary information upon which the summary suspension was based. The licensee or permit holder shall have the burden of demonstrating by clear and convincing evidence that:

(a) The licensee or permit holder is likely to prevail upon the merits at hearing;

(b) Without relief, the licensee or permit holder will suffer irreparable injury. For purposes of this section, elimination of income from licensed or permitted activities shall not be deemed irreparable injury;

(c) The grant of relief will not substantially harm other parties to the proceedings; and

(d) The threat to the public health, safety, or welfare is not sufficiently serious to justify continuation of the suspension, or that modification of the terms of the suspension will adequately protect the public interest.

(4) The initial order on stay shall be effective immediately upon service unless another date is specified in the order.
