

WAC 388-60B-0300 Referral screening—May a program screen referrals in order to accept or deny services to potential participants?

(1) A treatment program has the authority to accept or reject any referral for assessment or enrollment in its program.

(2) The program must base acceptance and rejection of a participant on written criteria the program has developed to screen potential participants.

(3) A treatment program may impose any relevant and appropriate conditions on participants that the program deems appropriate for the success of treatment.
