

WAC 388-310-1900 WorkFirst—Services for American Indian tribal members and other American Indians. (1) When might I be referred to a tribal government?

Your case manager may refer you to a tribal government when you are an American Indian who applies for or receives TANF assistance, and:

(a) You are in the population and service area identified in a tribal government's federally-approved tribal TANF program; or

(b) The tribal government does not operate its own TANF program, but it works with the local community service office to provide Work-First services and activities to meet your needs.

(2) What if I am an American Indian and am not referred to a tribal TANF program or tribal government to receive services?

WorkFirst state agencies and their community partners must give you equitable access to all WorkFirst activities and services.
