

WAC 392-143-001 Authority and purpose. The authority for this chapter is RCW 46.61.380 which authorizes the superintendent of public instruction to adopt and enforce regulations to govern the design, marking, and mode of operation of all school buses transporting public school students. The purpose of this chapter is to establish the specifications governing the design and marking of all school buses owned and operated by any school district and all school buses which are privately owned and operated under contract with any school district for the transportation of students. The provisions of this chapter are incorporated by express reference into all school district contracts for the transportation of public school students in privately owned and operated school buses.
