

WAC 495B-140-090 Basis of fee assessment. (1) The basis for establishing and charging use fees reflects the college's assessment of the present market, the cost of operations, and an evaluation of the intended purpose and its relationship to the purposes of this college. The board of trustees has determined that groups or organizations affiliated with the college should be permitted access to facilities at the lowest charge on the fee schedule which may include complimentary use. A current fee schedule is available to interested persons from the business office.

(2) The college does not wish to compete with private enterprise. Therefore, the college reserves the right to deny applications for facility use when the administration and/or the board of trustees feel a commercial facility should be patronized. At no time will facility use be granted for a commercial activity at a rental rate, or upon terms, less than the full and fair rental value of premises used.
