

Attorney General of the State of Washington

INTER-OFFICE CORRESPONDENCE

Date: February 4, 1970

To: Dick White, Code Reviser
From: Richard A. Mattsen, Assistant A. G.
Subject: Board of Accountancy Rules Adopted by Order dated July 14, 1969

The rules adopted on the above date should be codified as follows:

WAC 4-12-160 was intended to amend or supplant WAC 4-12-100.

WAC 4-04-170 through 190 are all new and need to be separately codified. It is true that they do conflict with former sections of the codifications but those former sections are still applicable in so far as they affect persons who have passed at least one part of the exam. Consequently, all sections need to be retained in the codified versions.
