NEW SECTION

WAC 4-25-760 Reinstating certificates and licenses. A person or firm whose certificate or license to practice has been revoked or suspended pursuant to RCW 18.04.295 and/or 18.04.305 and/or 18.04.335 may apply to the board for modification of the suspension, revocation, or probation after a minimum of one year has elapsed from the effective date of the board's decision imposing it unless the board sets some other period by order; except that if any previous application has been made with respect to the same penalty, no additional application will be entertained before the lapse of an additional year following the board's decision on the last such previous application.

The application shall be in writing; shall set out and, as appropriate, substantiate the reasons constituting good cause for the relief sought, and shall be accompanied by at least two supporting recommendations, under oath, from licensees who have personal knowledge of the activities of the applicant since the suspension or revocation was imposed.

An application will ordinarily be disposed of by the board upon the basis of the materials submitted in support thereof, supplemented by such additional inquiries as the board may think fit. At the board's discretion a hearing may be held on such an application, following such procedures as the board may deem suitable for the particular case.

The board may impose, as a condition for reinstatement of a certificate or permit or modification of a suspension or probation, such terms and conditions as it deems suitable.

In considering an application, the board may consider all activities of the applicant since the disciplinary penalty from which relief is sought was imposed, the offense for which the applicant was disciplined, the applicant's activities during the time the certificate or permit was in good standing, the applicant's rehabilitative efforts, restitution to damaged parties in the matter for which the penalty was imposed, and the applicant's general reputation for truth and professional probity.

No application for reinstatement will be considered while the applicant is under sentence for any criminal offense, including any period during which the applicant is on court-imposed probation or parole.
