(RCW 34.05.360)

CR-103 (7/22/01)

<b>Agency:</b> Noxious Weed Control Board	<input checked="" type="checkbox"/> Permanent Rule
<b>(1) Date of adoption:</b> January 22, 2003	<input type="checkbox"/> Emergency Rule
	<input type="checkbox"/> Expedited Rule Making

**(2) Purpose:** The state Noxious Weed Control Board is adopting its annual amendment to the state noxious weed list (Chapter 16-750 WAC -- State Noxious Weed List and Schedule of Monetary Penalties) adding two species to the A list, moving one species from the A list to the B list, adding one species to the B list, changing the designation area of two B list weeds (Japanese knotweed and the meadow knapweed complex) and adding two plants to the C list.

**(3) Citation of existing rules affected by this order:**  
 Repealed:  
 Amended: WAC 16-750-005, 16-750-011, and 16-750-015  
 Suspended:

**(4) Statutory authority for adoption:** Chapters 17.10 and 34.05 RCW  
 Other Authority:

**PERMANENT RULE ONLY (Including Expedited Rule Making)**  
 Adopted under notice filed as WSR 02-21-084 on October 18, 2002 (date).  
 Describe any changes other than editing from proposed to adopted version: Adopted version does not include proposed addition of common groundsel to the Class C Noxious Weed List. After testimony at the hearing, there was not a consensus, and the board voted not to proceed with that proposed listing.

**EMERGENCY RULE ONLY**  
 Under RCW 34.05.350 the agency for good cause finds:  
 (a) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.  
 (b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.  
 Reasons for this finding:

**(5.3) Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?:**  
 Yes  No If Yes, explain:

**(6) Effective date of rule:**
