CODE REVISER'S OFFICE
DOCKET #1228 FILE #17

Superseding Quarantine Order No. 1004 and Rules and Regulations Concerning Bacterial Diseases of Beans and Providing Certain Exemptions for the 1966 Planting Season.

WHEREAS, the bacterial diseases known as: Halo Blight Pseudomonas medicaginis var. phaseolicola (Burk.) Dows., Common Bean Blight Xanthomonas phaseoli (E. F. Sm.) Dows., Fuscous Blight Xanthomonas phaseoli var. fuscans (Burk.), Bean Bacterial Wilt Corynebacterium flaccumfaciens (Hedges) Dows., hereinafter referred to as bacterial diseases are injurious to the species of common beans (Phaseolus vulgaris L.); and

WHEREAS, when common beans are infected with the said bacterial diseases their production is greatly reduced and their use for seed purposes would further spread the infection; and

WHEREAS, a quarantine will be effective in preventing the introduction of the said bacterial diseases of beans into Adams, Benton, Franklin, and Grant Counties; and

WHEREAS, control of the said bacterial diseases of beans will provide the common bean growers of the State of Washington with a source of common beans for planting purposes which are disease free.

NOW, THEREFORE, I, Donald W. Moos, Director of the Department of Agriculture of the State of Washington, by virtue of the authority vested in me under Chapter 17.24 RCW relating to insect pest and plant diseases, do hereby proclaim and establish a quarantine to become effective April 1, 1966, setting forth the name of the diseases for which the quarantine is established, the area under quarantine, the regulated area, regulated articles, and the conditions governing the importation and movement of common beans into the regulated area.

DEFINITIONS:

(1) "Person" means a natural person, individual, firm, partnership, corporation, company, society, and association, and every officer, agent or employee thereof. This term shall import either the singular or the plural as the case may be.

(2) "Director" means the director of the Department of Agriculture or his duly authorized representative.

(3) "Common Bean", Phaseolus vulgaris L.

16-494

QUARANTINE AREA:

All counties of the State of Washington, not including Adams, Benton, Franklin, and Grant Counties, and all areas outside the State of Washington.

REGULATED AREA:

Adams, Benton, Franklin, and Grant Counties.

CONDITIONS:

No common beans shall be shipped, transported, or moved into the said regulated area for planting on or after the effective date of this quarantine unless such common beans are accompanied by a Phytosanitary Certificate from the state or area of original production showing that such common beans are free from the aforementioned bacterial diseases of beans, or any new strains or variations of said diseases on the basis of at least one field inspection and one windrow inspection; PROVIDED, that for the 1966 planting season the requirement for windrow inspection to determine freedom from the aforementioned bacterial diseases will be waived; (1) when the seed is accompanied by an official certificate issued by the state of original production stating freedom from such diseases based on official laboratory tests, or (2) the seed is accompanied by a Phytosanitary Certificate from the state of original production stating freedom from such diseases based on a three-year history with at least one field inspection in the fourth year.

This quarantine shall not apply to the shipment, movement, or transportation of common beans pre-packaged in packages of eight ounces or less for home garden use in the said regulated area.

Any person prior to shipping, moving, or transporting any common beans for planting purposes into the regulated area shall forthwith notify the Department of Agriculture in writing of such person's intent to ship, move, or transport any common beans into said regulated area. Such notice of intent shall be accompanied by a copy of the Phytosanitary Certificate issued for such common beans.

VIOLATIONS AND PENALTY:

All violations of this Order shall be dealt with according to the provision of RCW 17.24.100, making such violation a misdemeanor.

EFFECTIVE DATE:

This Order shall take effect on and after the 1st day of April, 1966.

APPROVED:

DANIEL J. EVANS, Governor

Donald W. Moos
Director of Agriculture
State of Washington

Signed at Olympia, Washington, this 1st day of April, 1966.
