

Order 824 superseded by Order 872. See

File 13, Docket 427, filed 12/4/61.

ORDER NUMBER 824 previously in effect, pursuant to a law repealed by the 1961 Legislature and pertaining to the use of agricultural pesticides, sprays and chemically treated materials in Columbia County is hereby adopted as an emergency order pursuant to those laws which shall become effective June 8, 1961; specifically Chapter 249 Laws of 1961 and which replace the laws under which this order previously existed. This is necessary for the immediate preservation of the economic health and general welfare. It is necessary that the order become effective immediately to provide the transition of the old and new laws in that Chapter 249 does not allow time for the usual hearing procedures for this order to become effective prior to the dates that the agricultural sprays will be applied.

I hereby certify that the attached order is a true and correct copy of that order adopted by the Department of Agriculture.
