OLYMPIA  
EMERGENCY ORDER NO. 1238  
EFFECTIVE APRIL 4, 1972

The adoption of this emergency regulation controlling the importation of cattle into the State of Washington is in the public interest and for the purpose of protecting the public health and welfare.

I, Cameron S. Adams, Acting Director of Agriculture of the State of Washington, by virtue of the authority vested in me under Chapters 16.36 RCW and 34.04 RCW do promulgate the following emergency regulation relating to the importation of cattle into the State of Washington.

REGULATION 1. Because of the existence of psoroptic scabies, an embargo is hereby placed on all cattle from the States of Texas, Oklahoma and New Mexico, and from any other state, county or area under quarantine for psoroptic scabies, and it shall be unlawful for any person, firm or corporation to import or otherwise bring into the State of Washington any cattle from any state, county or area under such quarantine.

Cattle may be allowed entry into the State of Washington from the embargo area provided a written permit is secured from the Department of Agriculture prior to movement, outlining the inspection and dipping requirements that must be accomplished prior to movement.

I hereby certify that the foregoing is a true and correct copy of the regulation promulgated.
