NEW

WAC 16-212-003 PROMULGATION. (This promulgation relates to Orders 1118 and 1267, WAC 16-212-020, 020, 060, 065, 070 and 080).

I, Stewart Bledsoe, director of agriculture of the state of Washington, by virtue of the authority vested in me under chapter 22.09 RCW, after due notice as provided under chapters 42.32 and 34.04 RCW, and a public hearing held in Olympia, Washington on June 30, 1975, do hereby promulgate the following emergency regulations relating to schedule of fees for agriculture commodity inspection and weighing, agricultural commodity grades and standards, and warehouse bonding requirements.

The adoption of this emergency order increasing the fees for the inspection and weighing of grain and other agriculture commodities is necessary because a July 1 effective date will eliminate the necessity of a change in fees during the middle of the harvest season therefore reducing confusion to the industry, and the Oregon Grain Branch will increase their fees effective July 1 which are identical to the fees in this order.
